You must ensure that those acting for you have original documentary evidence to support all the payments they make for you and for which you wish to claim grant.

GENERAL DATA PROTECTION REGULATION (GDPR): PRIVACY NOTICE

18. The information provided in the expression of interest application and full application is subject to the Privacy Notice at:
<https://gov.wales/topics/environmentcountryside/farmingandcountryside/cap/ruraldevelopment/wales-rural-development-programme-2014-2020/?lang=en>.
19. The Privacy Notice explains the Welsh Government's processing and use of your personal data and your rights under the General Data Protection Regulation (GDPR) 2018.
20. The personal data provided will be held on a database and will be processed by Welsh Government for the purposes of progressing applications and claims for EAFRD assistance. The information provided may be shared with UK Government Departments, Welsh Government Sponsored Public Bodies or agencies within Wales for the purposes of audit, research, meeting statutory obligations and, where appropriate, for the prevention and detection of fraud. Personal data will not, without consent, be made public in any way that identifies individuals. Certain data will be passed to the European Commission in compliance with EC Regulations.

CHANGES TO THE PROJECT

27. Whilst you may request project variations after approval, you should not assume they will be approved, particularly when the request is to move allocated grant funding into future financial years. Any unclaimed grant from a particular financial year in your agreed Delivery Profile is unlikely to be carried over into later financial years. This is due to the current commitment level and allocations of the existing RDP budget.

31. The grantor reserves the right to amend the terms and conditions of the offer of grant as set out in this letter or its annexes by giving written notice to you.

RESEARCH AND EVALUATION

32. In order to gauge its effectiveness all European funds assistance must be the subject of research and evaluation. Welsh Government, or independent contractors acting on behalf of Welsh Government, may ask you to co-operate with them in carrying out such research. You are expected to comply with all such reasonable requests. In particular, you must, upon request, supply the grantor, Welsh Government, (or the contractor conducting the study), with basic details about the project.
