EXPRESSION OF INTEREST FORM

As part of the new Caru Cymru initiative, Keep Wales Tidy is launching the Litter Free Zone campaign, designed to encourage businesses to keep their communities' litter-free and to help raise public awareness. Getting involved couldn't be simpler. We are asking businesses across the country to adopt their own Litter Free Zones by registering their interest.

If you're interested in hearing more about how you can sign up to our Litter Free Zones or simply want to find out more about the campaign, please fill in your contact details below and a local Project Officer will be in touch with you shortly.
