

Masks and gloves

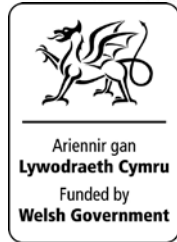

We're looking at the huge increase in a new type of litter – disposable gloves and masks. They have been found all over our countryside but what can you do about it?

Create a catchy slogan and image to encourage people to dispose of their gloves and masks sensibly. If you are feeling creative, it could even be a poem or rap! It should be possible to protect ourselves without littering our beautiful country

Menig a Masgiau

Rydyn ni'n edrych ar y cynnydd enfawr mewn math newydd o sbwriel - menig a masgiau. Fe'u darganfuwyd ledled cefn gwlad ond beth allwch chi ei wneud amdano?

<https://bbc.co.uk/news/in-pictures-52188627>

Creuwch slogan a delwedd i annog pobl i gael gwared ar eu menig a'u masgiau yn gall. Os ydych chi'n teimlo'n greadigol, gallai hyd yn oed fod yn farddoniaeth neu'n rap! Dylai fod yn bosibl amddiffyn ein hunain heb daflu sbwriel i'n gwlad hardd
