

## Criteria for a Platinum School

A Platinum Eco-School is a school that has been continuously involved in the programme for nine years, or the time it has taken to get to the fourth flag. By this point, the Eco-Schools process should be well embedded into the life of the school and the Green Flag criteria met without exceptions or recommendations. During your assessment we would like to see an overall evaluation of all your achievements across the nine topic areas presented by the pupils.

In addition to meeting the requirements for a green flag, a platinum school should be able to meet the essential criteria below and at least half of the desired criteria.

<b>Essential Criteria for a Platinum Eco-School</b>	
<b>1</b>	You will need to provide evidence/figures demonstrating the improvements you have made in all <b>nine topic areas</b> throughout your Eco-Schools journey to date. This should be used to celebrate your achievements as a whole school and could be presented in the form of a display, presentation, video or assembly
<b>2</b>	The school should be regularly undertaking projects in the wider community to further the Eco-Schools message (at least once a year)
<b>3</b>	Eco-Schools is on the agenda for staff/curriculum meetings at least once a term
<b>4</b>	Eco-Schools and related issues raised are regular assembly themes

<b>Desired Criteria for a Platinum Eco-School (tick at least 7)</b>	
<b>1</b>	A short case-study of improvement is available for each topic area over the four flag timescale
<b>2</b>	There should be wide adult representation on the committee as well as pupils.
<b>3</b>	A whole school Eco-Schools Inset should have been run for current staff
<b>4</b>	All classes in the school are involved in an aspect of the Eco-Schools process
<b>5</b>	The whole school have an input into the environmental review process
<b>6</b>	Parents and the wider community also have input into the review and action planning process
<b>7</b>	Most action plan targets and their monitoring are achieved through classwork
<b>8</b>	Pupils take the key role in leading their meetings (with the exception of Infant and Nursery schools)
<b>9</b>	Consistent messages are provided/mixed messages avoided in relation to ESDGC issues (e.g avoiding fast food as a treat for good behaviour, or ensuring peat-free compost is sourced for gardening)
<b>10</b>	The governing body is fully informed and involved in aspects of the programme / There should be an actively involved Governor on the committee
<b>11</b>	The school has spread good practice ideas to organisations and businesses in the local community
<b>12</b>	Pupils have responsibility for record keeping, recording and analysis of data and feedback to the whole school community
<b>13</b>	The school has undertaken an annual Carbon Footprinting exercise, showing improvement over the years
<b>14</b>	An extra-curricular club is provided for pupils outside the Eco-committee to partake in environmental activities

## Meini Prawf Ysgol Blatinwm

Mae Eco-Ysgol Blatinwm yn un sydd wedi bod yn ymwneud yn barhaus â'r rhaglen am naw mlynedd, neu am y cyfnod a gymerodd i gyrraedd y pedwerydd faner. Erbyn hynny dylai'r broses Eco-Sgolion fod wedi ei gwreiddio ym mywyd yr ysgol a'r meinu prawf ar gyfer y Faner Werdd wedi eu cyrraedd heb eithriadau nac argymhellion.

Yn ystod eich asesiad hoffem weld gwerthusiad cyffredinol o'ch cyflawniad yn yr naw maes wedi eu cyflwyno gan y disgylion. **Yn ogystal â chwrdd â'r gofynion ar gyfer baner werdd**, dylai ysgol blatinwm gwrdd â'r meinu prawf hanfodol isod ynghyd ag **o leiaf hanner** y meinu prawf dymunol.
