

We've planned our Eco-Year...have you?

Aug

Are you an Eco-Family?

- Is your garden wildlife-friendly?
- Is there a Hippo in your loo?
- Is that TV on standby?
- Going to the supermarket? Where has your food come from?
- Going on holiday? How are you getting there?
- Do you compost?

Sept

Who is going to be on the Eco-Committee?

- How do we recruit other eco-champions?
- Could we have eco-teachers on board?
- Does our committee represent the whole school community?
- Can we encourage parents/grandparents to join?

Oct

Investigate how green our school is

- Questionnaires, audit, photo, video, mind mapping

Let's put our ideas into an Action Plan

- How can we prove it is working?

Nov

Is everybody helping with Eco-Targets?

- How can we share our Action Plan and gather ideas?
- Assemblies, noticeboards, website, blog/tweets, newsletters

Dec

What have we achieved so far?

- What's working, what's not?
- Have we been recording our meetings? - audio, video, photos, written report
- Have we shared our successes with the school?

Jan

New Year - New Ideas

- What's on our Eco-Code?
- Do we need to change it?
- Does everyone understand the code?
- Are people following the code?

Feb

Have we had any Eco-Lessons?

- Will any class help measure progress?

Jul

Celebrate our Eco-Year

- Can we have a community eco-open day?
- Newspaper articles?
- Let's have an eco-disco

Jun

Have we had a Day of Action?

- Invite an eco-expert into school
- Plant, grow and eat our own vegetables
- Investigate another country
- Can we spend a day without electricity?
- Let's all dress in green

May

How can we spread the Eco-Schools message far & wide?

- Develop a food co-op
- Design a home Eco-Code
- Create a home energy use survey
- Investigate how we travel to school
- Organise a community litter pick

Apr

Do we need new ideas?

- Check out www.eco-schoolswales.org for possibilities
- Why don't we run an idea-busting assembly?
- Can anyone outside school help?

Mar

What have we achieved so far?

- Investigate other classes eco-projects or plans
- Can we link the projects to our Action Plan?
