

Join us and help Keep Wales Tidy

We have a fantastic opportunity for a dynamic, engaging, and inclusive leader to join us as Chief Executive at Keep Wales Tidy.

After completing many years' service, the current head of our organisation is retiring. As we begin our 50th anniversary celebrations, we are looking for an inspirational leader to help us build on our achievements and cement our reputation as a leading environmental charity.

Reporting to the Chair of our Board, you will work closely with our Trustees and executive management team to provide clear, strategic direction. You will have the opportunity to lead a team of more than 70 committed and passionate individuals, nurturing an innovative and supportive culture.

The quality of our local environment, our green spaces, waterways, beaches, and the air that we breathe is essential to protecting biodiversity for the future and building our resilience to the global climate emergency.

Through our programmes and projects, Keep Wales Tidy has set the stage for working together with government, public bodies, schools, and local communities to take positive sustainable action. National initiatives like Caru Cymru and Local Places for Nature have opened up opportunities to engage communities across Wales, with long term benefits for our health, well-being and natural environment; while international programmes such as Eco-Schools have enabled us to share our learning with global partners.

Do you have the qualities, skills and experience to lead an ambitious and trusted charity? If you share our vision of a beautiful Wales cared for and enjoyed by everyone, we would love to receive your application to join us.
