

Power Protectors Song

In the tune of 'If You're Happy and You Know It'

**If you don't need the light on, turn it off,
If you don't need the light on, turn it off,
If you don't need the light,
Because the room is nice and bright,
If you don't need the light on,
Turn it off.**

**If you want to save the air, then walk to school,
If you want to save the air, then walk to school,
Or maybe on a bike, or a scooter or a trike,
If you want to save the air,
Then walk to school.**

**Save the water, catch the rain, check your taps,
Save the water, catch the rain, check your taps,
Use the rain for your plants,
Stop your leaky water taps,
Save the water, catch the rain, check you taps.**
