

Reduce and Reuse Song

In the tune of 'Baa, Baa, Black Sheep'

**Think of our rubbish,
Do we need it all?
Think what we use,
From big things to small.**

**I might not need my toys,
When I'm grown.
I'll make sure I find them,
A new loving home.**

**I'm helping the planet,
Every time I choose,
To take my waste,
And reduce and reuse.**
