

# Starting from Seed Song

In the tune of 'Colours of the Rainbow'

**Plants and flowers and food and trees,  
All grow from the ground below.  
If you sew a seedling,  
Sew a seedling,  
Help a seedling grow.**

**Dig a little hole, put the seed in,  
A little light and water each day.  
I can grow a seedling,  
Grow a seedling,  
Grow a seed my way.**
