

Tidy Team Song

To the sound of 'Twinkle Twinkle Little Star'

**Litter, litter everywhere,
Is it true you just don't care?
Hurting creatures, making mess,
We don't want you, we want less.
Litter, litter everywhere,
Is it true you just don't care?**

**Litter, litter in the bin,
Every bottle, every tin.
Now my street is nice and clean,
No more rubbish to be seen.
Litter, litter now you're gone,
We can sing our happy song.**
